

# Livanjsko Polje

## Bosnia- Herzegovina

**Organisation**  
Youth Centre Livno (YCL)

### Location

West of Bosnia-Herzegovina, near the Croatian border.  
County of Livno

### Description

- Freshwater/riparian forest
- Mosaic of natural and artificial lakes
- Permanent and seasonal streams, grasslands and forests.
- Karst mountain ranges up to 2000 m asl circled by plains

### Ecological values

- Seasonal flooding shapes the landscape
- Bear, lynx and wolf
- 206 bird species (important stopover along the Adriatic flyway)
- Rare and relict plant communities

### Threats

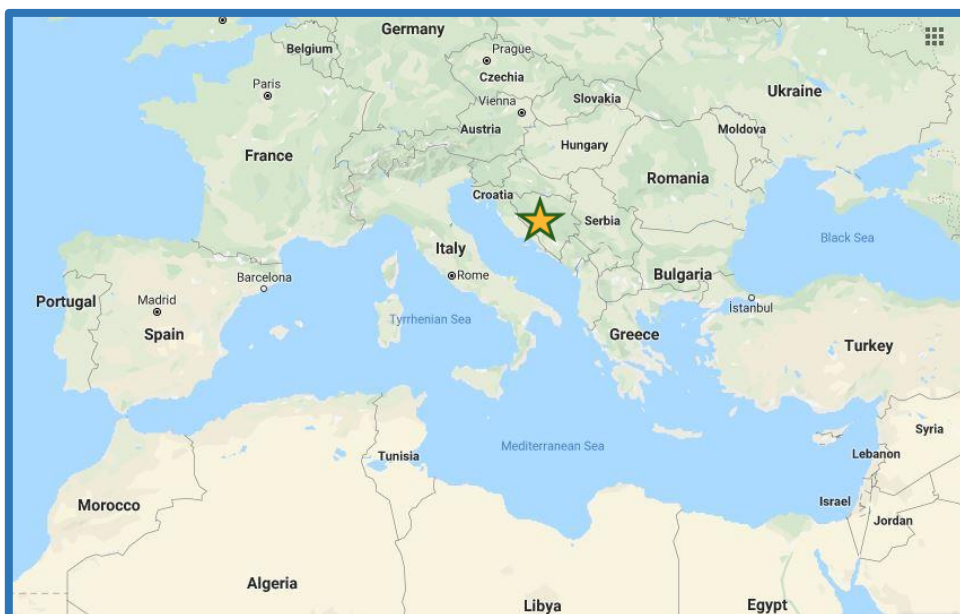

No national protection status

### Protection status & conservation actions

- Ramsar site

### Strengths of the site

High experience in addressing hydro-power problems linked to high value biodiversity sites
